## Pretend and Play Teaching Cash Register

### Description

---

#### Pretend and Play Teaching Cash Register

Talking cash register brings money math to life. Students can practice coin identification, addition, subtraction, and place value as they play 4 featured games that increase in difficulty as players advance.

Cash register features a built in scanner, scale and coin slot.

Transactions are rewarded with lights, sounds and voice messages (volume control included).

Also great for imaginative play and learning basic calculator skills.

#### **Includes:-**

Cash register measures 13'L x 9.5'W x 8'H

Cash register, Life size money, Credit card, Coupon

Requires 3 C batteries, not included
