

Product Code . ILS-PLE-10183

Fire Extinguisher

Description

Fire Extinguisher

The Fire Extinguisher is ideal for use in any household location and for fighting wood, paper, trash, plastics, gasoline, oil, and electrical-equipment fires.

To minimize damage or injury in the event of a fire, the first step is having the right fire extinguisher on hand.

The commercial grade metal valve and trigger ensure it is ready to use in an emergency.

Metal pull pin with a safety seal to help prevent accidental discharge and tampering; corrosion resistant, easy to read, color coded metal gauge, waterproof label with easy instructions.

Specifications:-

Depth: 7 inches.

Width: 10.25 inches.

Height: 24 inches.
