

**Product Code . ILS-CL-10253**

## Aspirator Bottles

### Description

---

#### Aspirator Bottles

Indian Lab suppliers is a leading Aspirator Bottles manufacturers, suppliers and exporters from India that offers wide range of Aspirator Bottles at most competitive prices.

The leakproof spigot screwed to the bottle body requires only a half turn to open or close. Aspirator Bottles are made of Polypropylene and are therefore much lighter than glass. These are autoclavable, durable and dependable. These bottles are used for storing or dispensing distilled water & other laboratory solutions. Threads should be totally disengaged before autoclaving.

**Material:** Polypropylene

**Capacity:** 5 Ltrs., 10 Ltrs., 20 Ltrs.
