

**Product Code . ILS-CL-10323**

## Sample Container (Screw Type)

### Description

#### Sample Container (Screw Type)

These thin walled, disposable containers are easily screw capped with less than 1/4th of a rotation.

This is perhaps the most ideal option available for carrying samples from one place to another safe and sound.

Indian Lab suppliers is a leading Sample Container (Screw Type) manufacturers, suppliers and exporters from India that offers wide range of Sample Container (Screw Type) at most competitive prices.

Sample Containers are made of polypropylene.

As one screw caps the container, the top of it sets in a domed ring in the cap making it completely leakproof.

**Capacity:** 25ml, 30ml
