

**Product Code . ILS-EELE-10398**

## Experimental Setup Curves Of Synchronous Motor

### Description

---

#### Experimental Setup Curves Of Synchronous Motor

To study V and A curves of synchronous Motor with Mechanical / Electrical loading. All necessary meters including 3PH power factor meter are mounted on panel. Further, we experiment with the help of these motors in order to find the reliability and durability.

We are leading manufacturers, suppliers of Experimental Setup Curves Of Synchronous Motor for Electronics Engineering Lab Equipments. Contact us to get high quality Experimental Setup Curves Of Synchronous Motor for Electronics Engineering Lab Equipments for schools, colleges, universities, research labs, laboratories and various industries.

Contact jLab for your Educational School Science Lab Equipments. We are best maths lab equipments manufacturers, maths lab kit india, maths lab kit suppliers, maths lab kits manufacturers, metal testing equipments, physics lab educational equipments in india.
