

**Product Code . ILS-HSM-11084**

## Human Urinary System Deluxe Model

### Description

---

The female insert consists of a two parts Bladder, Uterus and Ovaries: The male insert features a two parts Bladder and prostate.

The kidneys vasculature, A section of ribs, Vertebrae and portion of the pelvic bones along with muscles of the posterior abdominal wall, are visible in the deep dissection of the lower abdomen

Both male and female models are the most detailed and most versatile model of the urinary system that we offer, It features interchangeable life size male and female genitalia to illustrate the differences in the system.

The six part model is mounted on a base with numbered key cards.

The adrenal glands and rectum are also shown.
