

Product Code . ILS-FAM-11689

Super Bottle Rocket Launcher

Description

The Super Bottle Rocket Launcher provides a sturdy base and rugged design allowing you to propel ordinary 2-liter plastic soda bottles up to 100 feet in the air.

A built-in safety valve helps to avoid over-pressurizing the entire system and keep everyone safe. Has a pressure release valve at 45 psi for safety.

Designed to be easily assembled and sturdy, this durable plastic bottle launcher combines the best of fun and science.
