

Product Code . ILS-MAM-11786

Bar Magnet Stand

Description

Place a bar magnet on the stand and point opposite poles at each other and watch the swivel rotate one way.

This custom-built, low-friction bar magnet stand is a simple and effective tool for demonstrating magnetic repulsion and attraction.

Pair it with our Steel Bar Magnets, Alnico Bar Magnets and/or Plastic Covered Bar Magnets.

Point like poles at each other and it instantly spins the opposite way.
